Sub: Communications - Bridges - Coimbatore District - construction of bridges over jungle streams on Kollegal Haccanur road - regarding --

Ref: Government Memo No.100239 A/54-1 dated 15.1.55.

In the Government memorandum cited above the specific mileages of the crossings on the Kollegal Haccanur road have not been indicated and therefore it is not clear to which crossing or crossings the reference relates to. However it is seen that the work of constructing bridges and culverts on the crossings at the following mileages have been specifically provided for in the recast 5 year programme of Post War Road Development.

	Est. Cost.
1. Constructing a bridge at Mile 6/3.	Rs. 25,000
2. -do- culverts in Miles 12/7, 13/1 & 14/7	Rs. 32,000
3. - Minor bridges at miles 21/1, 23/7 & 25/5	Rs. 60,000

All these works have been proposed under the part II scheme proposals submitted to Government in this office letter No.34886-E3/54-10 dated 19.10.54 under the head 50 (h) Development Scheme and orders on the above are awaited. Further the work of improvements and construction of bridges and culverts on the above road in between miles 0/0 - 31/0 at an estimated cost of Rs.1 lakhs has also been included in the 4.34 crores scheme sent to Government of India in the state Government's letter No.70531-A-54-3 P.W.D. dated 27.10.54. The crossings covered under this item are at miles 11/7, 11/8, 12/4, 5,6, 13/7, 14/5-6, 16/3, 17/7, 18/8, 19/7, 20/1-5, 23/2, 25/4-8 and orders on the above proposal are awaited.

NOTE FOR SUPPLEMENTARIES.

The Member wants to know whether there is a proposal under consideration of Government to construct bridges over the jungle streams which cut across the Kollegal-Hassanur road and if so, the estimated cost of each.

The Kollegal-Hassanur road from Mile 0/0 to 49/1 is a Major District Road under the control of the Govt. The works of constructing bridges and culverts on the crossings at the following places on this road were proposed for consideration under Part II Scheme for 1955-56:-

Name of work.	Estimated cost. Rs.
(1) Constructing a bridge at Mile 6/3	25,000
(2) Constructing culverts in Mile 12/7, 13/1 and 17/7	32,000
(3) Constructing Minor bridges at Mile 21/1, 23/7 and 25/5	60,000

The Cabinet has, however, approved only the work in item (2), namely, construction of culverts in Mile 12/7, 13/1 and 14/7 of the road. Formal orders sanctioning this work will issue after the budget for 1955-56 is voted by the Legislature. The C.E.(H) may be expected to take up this work for execution during 1955-56.

In addition to the three works mentioned above, the works ofimprovements and construction of culverts at miles 11/7, 11/8, 12/4, 12/5, 12/6, 13/7, 14/5-6, 16/3, 17/7, 18/8, 19/7, 20/1-5, 23/2 and 25/4-8 of the Kollegal Hassanur road at an estimated cost of Rs 1 lakh were included in the supplemental list of works forwarded to the Govt. of India for financial aid from the Centre under the scheme for development of roads of economic or inter-State importance. The Govt. of India have since informed this Govt. that as

the funds available have already been distributed among the States they are unable to make any further grants for any other works in this State in addition to 20 works already approved by them under this Special programme. They have, however, agreed, as a special case, to give a full grant for improvements to the Ponneri-Pulicat Road, the development of which is ~~xxx~~ considered essential and urgent. In view of this and of the present difficult financial position, the bridge works in items (1) and (3) at 'A' and those at 'B' on p.1 ante can be taken up for execution only gradually subject to the availability of funds.
